Keepsake Ornament Collector's Guide

Second Edition
Written by Clara Johnson Scroggins, the guide traces the history of Hallmark Keepsake Ornaments from 1973 through 1985. It also features creative ornament display ideas, a history of ornament collecting, and more.

Special Edition "Jolly St. Nick"

The design of this Special Edition "Jolly St. Nick" was inspired by the cartoons of Thomas Nast. Fashioned in fine porcelain and painted by hand, the ornament captures Nast's vision of Santa that is universally loved today.

Limited Edition "Magical Unicorn"

Ever since they missed Noah's ark, unicorns have been a valuable catch — when you can find one! It's no different now. Fashioned from fine porcelain, only 24,700 "Magical Unicorns" exist. If you see one, grab it! It may not be around long.
