KEEPSAKE MINIATURE ORNAMENTS

"Let's decorate a second tree."

These words are echoed throughout millions of homes each year at Christmas. A special smaller tree can now be decorated with Keepsake Miniature Ornaments. A decorated miniature tree is a great gift and a unique addition to spruce up any room in your home.

"I'd like to have a tree, but where do I put it?"

A tabletop tree is perfect for a dorm room, office, or apartment where space is at a premium. Or if you have plenty of space, but little spare time, a smaller tree adorned with Keepsake Miniature Ornaments solves your decorating dilemma.

"A tree as a centerpiece. What an idea!"

Use tabletop trees, dazzling with Keepsake Miniature Ornaments, to give your entire home a Christmas flavor. Decorate your mantel, an end table, a holiday wreath, or make a festive centerpiece for your dinner table. The possibilities are endless!

For your convenience, we've included a box next to each ornament description. Check each box as you add that ornament to your collection.
