DEFORE the Christmas tree goes up, the ornaments and trimmings are unpacked. For many of us, there is a story behind each glistening ornament. A friendship ornament reminds you of a childhood pal who now lives far away. Another brings back the laughter and joy of your child's first Christmas morning. The boxes seem to hold as many memories as they do ornaments. We believe those memories are why so many people enjoy and collect our ornaments.

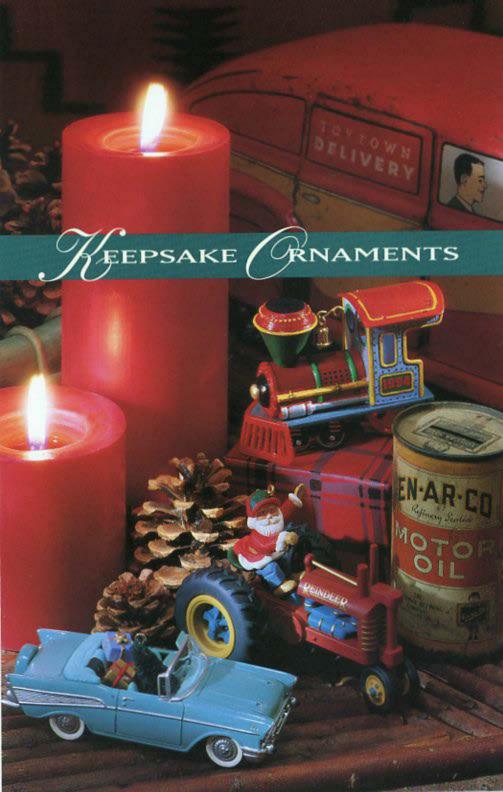

We welcome you to come see the 1994
Keepsake, Magic and Miniature
Ornaments—nearly 200 all-new designs—at
your local Hallmark store. You'll find
everything from the nostalgic and
sentimental to the lighthearted and
whimsical. Whether you're looking for a gift
or ornaments to deck your own halls, we're
sure you'll find something fitting. You'll also
find the craftsmanship, attention to detail
and enduring quality that have made our
ornaments popular for more than 20 years.

We wish you a Christmas filled with the magic and wonder of the season and hope that our ornaments make it one you'll always remember.

2 \*Edition sizes limited to number of ornaments purchased during the offer period. Edition sizes will be published at the end of the offer period.
