Few gifts mean so much, for so long, as Hallmark Keepsake Ornaments.

Many years after this Christmas, someone will be unpacking her holiday decorations and taking out a Keepsake Ornament. She'll think of you. And it'll seem like only yesterday that you selected this carefully crafted ornament especially for her.

Each year Hallmark artists take delight in creating a wide variety of designs to help you share the joy of the season. Here are just a few suggestions for the people on your gift list this year.

As you browse through the pages of this book, no doubt you'll be thinking of many more.

If you want to get something for the people you work with (on a budget!), you can make everyone's day with **SNOWMEN OF MITFORD**. These wonderfully detailed Miniature Ornaments are ideal for "Secret Santas," too.

Is there someone who makes a difference in your child's life? **ANGEL AT MY SIDE** is a sweet gift from your child to a baby-sitter, day care provider, aunt, or favorite friend.

For a pastor or Sunday School teacher, this year's **NOAH'S ARK** ornament is a thoughtful symbol of shared faith... and for a choir director or organist, **THE CHURCH CHOIR** is perfect!

If you and your husband are feeling the stress of the holidays, do something to lighten up the mood. Finding the **STUCK ON YOU** ornament in his briefcase or on "his" side of the sink, along with a little note, is sure to make him smile.

For your veterinarian or pet-sitter, the **SPECIAL DOG** or **SPECIAL CAT** photo holder, with a favorite snapshot of your furry friend, makes a perfect present.

Gift cards and certificates are always appreciated, and Keepsake Ornaments can give this kind of present more

personality. The **CHRISTMAS TREE GIFT CLIP** is designed for this, but don't let your imagination stop there. You can pair the **ADVENTURES OF A BOOK LOVER** ornament with a bookstore gift certificate or the **KOBE BRYANT** ornament with a subscription to a sports magazine... the possibilities really are endless!

No matter which ornaments you give this year, remember that the best presents let people know how much they're appreciated for who they are...just as they are. That's just another reason why Keepsake Ornaments, featuring favorite hobbies, movies, memories, and more, are such a beloved holiday tradition. ❄️
