SIMPLY beautiful

This year, Keepsake artists have created personal interpretations of the most beloved symbols of Christmas—ornaments that capture the beauty of the season that we long for and enjoy each and every year.

Sculptors in the Keepsakes Studio began with porcelain bisque, glazed ceramic, pewter and handcrafted paper—premium materials with natural beauty—and drew inspiration from the engravings, illustrations and other works of artists throughout Hallmark, including pieces from company archives. The results are these timeless and iconic ornaments that express our artists' unique visions of the holiday with simple elegance.

These Keepsake Ornaments are gifts of the season. They reflect the spirit of this time for understanding, for comfort and for peace—a time of year we need as much as we need each other.

In Galilee, in days of old,
a Savior's birth had been
foretold. The prophets
knew that when he came,
the world would never
be the same.

Above the
stable, big and
bright, a star
shone with a
heavenly light.

That very night
the brilliant star
was seen by wise
men from afar.
They reached
the stable, filled
with hay, and
saw where Baby
Jesus lay.
